

Biography

Tom Cloud Chairman and CEO United Electric Supply Company, Inc.

After starting his career in the plumbing manufacturing and distribution industry with the Speakman Company, Tom joined United Electric Supply as Controller in 1973. United is an electrical wholesaler, selling and servicing products to construction, industrial and institutional customers. Currently, United Electric has 13 locations and over 300 employees servicing the Middle Atlantic States.

In 1995, while serving as Executive Vice President and General Manager, Tom led an employee purchase of the company. United Electric is now a 100% employee owned ESOP Company.

Tom has served in many voluntary positions including being the Chairman of the National Association of Electrical Distributors.

Tom holds a B.S. degree in Economics from the University of Bridgeport, and an MBA from Drexel University.
